RFP Food Service Management Bid
Questions & Answers #3

1. Can you please confirm which schools are currently using the hot vended meal program and if their menu is the same as all other SBCSC. Muessel, Hay and Mckinley are using the hot vended program. The menu for these schools is not the same.
2. Is it the districts intention that for the 5 schools that are currently using preferred meals that the district will continue to purchase these meals? Or is it the intention to have the new FSMC to prepare the vended meals for these locations. It is the intention to have the new FSMC prepare the vended meals for these locations.
3. What is the current price you're paying for breakfast and lunch from Preferred Meals? The price varies for lunch from \$1.25-\$2.10 SBCSC purchases the entrée, the school provides the rest.
4. According to the ADP provided Lincoln is an elementary school but there is no October 2018 claim data for Lincoln Elementary school. Can you please confirm this is an active site and if so can you please provide the October 2018 claim data. It is on the Web-Site.
5. The October 2018 meal claims provided included claimed meals for Christ the King School, Community Baptist Christian School, New Vision Christian Academy and St. John. Can you please confirm if SBCSC receives the reimbursements for these meals and if so what site are these meals prepared at? The primary kitchen prepares meals for these schools: Darden, Christ The King, Lincoln, New Vision/Community Baptist, Marquette Montessori, & St. Johns.

On the three labor scenarios, option two shows the aides and security personnel on FSMC labor. Please clarify that you want non-nutrition employees on FSMC's payroll. Yes this is correct
