

June 26, 2020

Dear SBCSC Families,

As we move into the summer, I wanted to thank you again for staying with us for updates, news, and information over the past four months. All of you have done an extraordinary job of remaining flexible, patient, and connected during our schools' closures. Thank you for continuing to keep the education and safety of our students a priority.

For those of you who completed the survey regarding our closing procedures, we want you to know how valuable your input has been. My team is working with the feedback you've provided to make sure that the coming academic school year is as safe and accommodating as possible for all students, teachers, and staff. I look forward to sharing those details with you in the near future.

I hope you'll remember to join me for a virtual "Talks with Todd" next Tuesday, June 30 at 9 a.m. via Facebook Live. I look forward to hearing your thoughts and questions.

In the meantime, I hope you are enjoying your summers and staying safe and healthy. Please remember to keep eLearning: read a book, watch a classic film, or listen to an album.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Todd Cummings". The signature is fluid and cursive, with a large loop at the end.
